REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Issuance of a Certificate of Correction for the above-captioned patent is respectfully requested in accordance with the accompanying Form PTO-1050 (submitted in duplicate).

It is believed that payment of a fee is unnecessary.

The filing date of the PCT incorrectly states August 24, 1999 instead of August 24, 2000. Applicants filed a first and second request for corrected filing receipt (on February 7, 2002 and June 7, 2002) to correct the error by the U.S. Patent and Trademark Office regarding the filing date of the PCT. However, Applicants' requests for a corrected filing receipt were never responded to by the Office. Since the error has now carried over to the Letters Patent, correction of the PCT filing date is respectfully requested.

The director is hereby authorized to charge any appropriate fees under 37 C.F.R. § 1.20(a) that may be required by this paper, and to credit any overpayment, to Deposit Account No. 02-4800. This paper is submitted in duplicate.

Respectfully submitted,

BUCHANAN INGERSOLL PC
